GRADUATE STATISTICS COURSES APPROVED FOR TRANSFER
UNMC College of Nursing

These courses have been pre-approved for graduate credit for transfer. Students must follow the procedures described below to formally request transfer credits.

**Students completing an approved transfer course**
- Request an original transcript be sent to the UNMC CON Graduate Student Services Coordinator immediately upon completion of the course.
- The course will be included in the student’s Plan of Study by the advisor and credit transferred to the UNMC transcript.

**Students wanting to complete a course that is not approved/listed**
- Talk to your advisor about taking the course and requesting a transfer.
- Provide the advisor with a current course description of the course under consideration. Additional material, such as a syllabus or student project, may be required. The supplied material is reviewed for approval.

**Any course presented for transfer must meet the CON’s policy**
- MSN degree courses must be completed within 5 years prior to graduation.
- Doctoral degree courses must be completed within 7 years prior to graduation.
