

# Olson Center Brown Bag Speaker Profile: Vanessa Bailyn Voss, MD, FAAD

## **Winter Skin Care**

**Thurs., Jan. 18, 2024 at noon**

Dr. Voss is an Assistant Professor in the Department of Dermatology at the University of Nebraska Medical Center.

Dr. Voss completed her Bachelor of Arts in Integrative Biology at the University of California, Berkeley. She then completed her Doctor of Medicine from Saint Louis University School of Medicine, which was then followed by an internship in Internal Medicine Preliminary at Mount Sinai St. Luke's/West Hospital, a residency in dermatology at Stony Brook University Hospital and then a fellowship in Micrographic Surgery and Dermatologic Oncology at the University of Missouri Hospital.

Dr. Voss is board certified in both Dermatology and Micrographic Dermatologic Surgery.

For all your skin health needs, please contact the Dermatology Clinic at Nebraska Medicine at 402.552.7928 and you will be scheduled for an appointment with one of the many dermatologists. If you are especially concerned about skin cancer, please request an appointment with Dr. Voss.

Dr. Voss' presentation materials can be downloaded at
