

Olson Center Brown Bag Speaker Profile:

Nicholas Jesse, MD

Endometriosis: The Basics of a Complex Diagnosis

Tuesday, Oct. 21, 2025, noon to 1 p.m.

Nicholas Jesse, MD is an assistant professor and is a specialist in minimally invasive gynecology surgery in the UNMC Department of OB-GYN.

Dr. Jesse received his Doctor of Medicine from the University of Nebraska Medical Center. He then completed a residency in OB-GYN from Vanderbilt University Medical Center, which was followed by a Minimally Invasive Gynecology Fellowship and Clinical Instructorship also at Vanderbilt University Medical Center.

If you would like to schedule an appointment with Dr. Jesse, please contact the Olson Center for Women's Health at 402.559.4500.
