Conference Presentations, Seminars, and Publications

Department faculty members present many lectures, seminars, and courses on the UNMC campus and at hospitals in the Omaha area. They also serve in leadership positions and offices for local, state, national, and international organizations. Here are some of our faculty’s presentations, publications, awards, offices, and other professional activities June - October, 2003.

Mormino, M. A.: Course Chairman, Locked Plate Symposium, Omaha, NE, August 23, 2003.

Mormino, M. A.: Course Chairman, Orthopaedic Trauma Update, Omaha, NE, June 2003.

Mormino, M. A.: Intertrochanteric Fractures Classification and Treatment. Trauma Update, Omaha, NE, June 2003.

Mormino, M. A.: Subtrochanteric Fractures Classification and Treatment. Trauma Update, Omaha, NE, June 2003.
Conference Presentations, Seminars and Publications
(Continued from front page)

Haider, H.; Walker, P. S.; Hess, D. J.; Werner, F. W.; Bonsell, J.; Croson, R. E.; and Garvin, K. L.: Importance of provision of degrees of freedom when measuring the constraint of total knees. 16th Annual Nebraska Biomedical Research Workshop, Omaha, NE, April 2003.

Kudos to …

- Dr. David Buck joined 130 other resident leaders representing more than 30,000 AMA members at the Annual Assembly Meeting of the American Medical Association Resident and Fellow Section. Participation in the RFS Annual Assembly Meeting signifies that a resident or fellow has been selected by professional peers to represent them on issues affecting the future of medicine, medical education, and public health.

- Dr. Walter Huurman and Dr. Susan Scherl have been nominated and elected to active membership in the American Orthopaedic Association (AOA).

- Dr. Matt Mormino was elected to hold the office of secretary of the Nebraska Orthopaedic Society. His term of office began in June.

- Dr. Mormino and Dr. Michael Clare received the Award for Faculty Excellence in Teaching from the Class of 2003 Orthopaedic Surgery Residents.

- Dr. Fereydoon Namavar received a Certificate of Recognition and a monetary award from NASA for the creative development of a technical innovation, which was proposed for publication as a NASA Tech Brief, titled “Wavelength Selective Photodetector.”

- Dr. James Neff was recently selected to “America’s Top Doctors” from more than 650,000 eligible physicians nationwide. The national survey is conducted by the Castle Connolly Medical Ltd.

- Dr. Lori Reed was one of 50 residents selected to participate in the Zimmer Resident Leadership Forum held in conjunction with the American Orthopaedic Association (AOA)-Orthopaedic Research and Education Foundation (OREF) meeting in Charleston, SC, in June.
