

## **Kaleidoscope to Raise Funds for Lifestyle Rehabilitation Center** ANNUAL EVENT TO BE HELD AT LAVISTA CONFERENCE CENTER

“Every Movement is a Milestone” is the theme for this year’s University Hospital Auxiliary Kaleidoscope event.

The event will be held March 9 at the LaVista Conference Center. The silent auction and social hour begins at 6 p.m. and dinner is at 8 p.m. Nelson and Linda Goldman are the honorary chairs for the event. Fred Wilson, survivor of the Von Maur shooting, will be the keynote speaker for the evening. Among the more interesting items up for auction are club seat tickets for the upcoming sold-out concerts featuring Justin Bieber and Taylor Swift.

Kaleidoscope is an annual, philanthropic event organized by the University Hospital Auxiliary. The evening includes a dinner and silent auction. During the program, the Honorary Kaleidoscope Award will be presented.

Funds raised at the event will benefit the new Lifestyle Rehabilitation Center. This center will focus on promoting independence for patients of all ages who experience chronic and progressive debilitating conditions. Rehabilitation experts, including physical and occupational therapists, work collaboratively with patients to develop individualized plans utilizing state-of-the-art therapies and equipment. For those recovering from stroke, transplant, cancer, orthopedic injury as well as those who are living with Parkinson’s, multiple sclerosis or a developmental delay... *every movement is a milestone.*

UHA board president is **Gerri Plautz**. The event co-chairs are Nancy Gordon, Janette Garvin and Angie Thorell. Tickets can be purchased by calling Volunteer Services at 9-4150.
