

**PAMM-799 Special Topics**

**Pathology Staff**

**Periods Offered: By Arrangement with Dr. Lele and the Staff Pathologist in charge of the specialty area**

**Student Limit: 1 per specialty**

**Visiting Students MUST apply through VSAS and may add a specialty interest by attaching a document in VSAS with their selection. DO NOT CONTACT STAFF.**

Students interested in specific aspects of pathology or desiring a background in pathology for a clinical specialty may undertake intensive study with the staff pathologist(s). The department faculty has diverse interests to compliment the needs of most students. These rotations may be tailored to include clinic-pathologic study, or basic research.

Students will be expected to attend appropriate resident conferences and interdisciplinary conferences related to the specialty area they are studying as agreed upon by their supervising faculty. Independent study may also be arranged with pathology faculty not listed here.
