

Harold M. Maurer Outstanding Resident Educator Award
Selection Criteria, Eligibility, and Nomination Procedure
Rev. 12/8/16

Criteria

The Attending receiving this award should display exceptional involvement in resident education both at 8 AM didactic conference/other conferences and with resident while on rotation.

Period of Award

Annual (academic year)

Eligibility

Attending pathologist who holds a full-time or part-time appointment and interacts with the residents during scheduled rotations.

Outstanding Educator Awardees may only receive the award once in a three year span.

Nomination Procedure

Nominations will be solicited from the residents in May by the residency program director/coordinator. Confidential votes will then be cast for the nominees.

Faculty members will receive the award at the annual resident graduation banquet.
