Clinic Information

The Children and Adolescent Clinic is composed of three full-time physicians and three who work part-time. Students will spend time working with each physician during the course of the clerkship. They have enjoyed having students in the clinic in the past and are excited about continuing to work with educating UNMC medical students. Due to all of the new requirements with HIPPA, you will need to print certificates of your compliance training (https://net.unmc.edu/care). You may also need proof of immunization which may be obtained in Student Health (ext. 95158).

Directions

Take the Grand Island/Hastings (Highway 34) exit off of I-80. Go south of the interstate on Highway 34 until you arrive in Hastings. Turn left on Kansas Avenue until you come to the clinic building. The Children & Adolescent Clinic is in a multi-specialty clinic building in the Hastings Medical Park.
