

Vaccination Campaign

Jointly provided by Postgraduate Institute for Medicine and UNMC College of Pharmacy

Release date: June 23, 2021

Expiration date: June 23, 2023

Estimated time to complete activity: 10 hours

Target Audience

This activity is intended for pharmacy technicians to provide training to meet the critical, immediate vaccination needs.

Disclosure of Conflicts of Interest

Postgraduate Institute for Medicine (PIM) requires faculty, planners, and others in control of educational content to disclose all their financial relationships with ineligible companies. All identified conflicts of interest (COI) are thoroughly vetted and mitigated according to PIM policy. PIM is committed to providing its learners with high quality accredited continuing education activities and related materials that promote improvements or quality in healthcare and not a specific proprietary business interest of an ineligible company.

The faculty reported the following relevant financial relationships with ineligible entities related to the educational content of this CE activity:

A few examples include the following:

The faculty has nothing to disclose.

The PIM planners and others have nothing to disclose. The UNMC planners and others have nothing to disclose.

Continuing Pharmacy Education

Postgraduate Institute for Medicine designates this continuing education activity for 10 contact hour(s) (1.0 CEUs) of the Accreditation Council for Pharmacy Education.

(Universal Activity Number - JA4008162-9999-21-2720-H06-T)

Type of Activity: Application
