

**UNMC, College of Public Health**  
**Applied Practice Experience (APEX) Opportunities**

**Partner organization name:** Douglas County Health Department

**Partner organization website:** <https://www.douglascountyhealth.com/>

**Partner organization's point of contact name and email:** If interested, please contact Julia Quigley ([juquigley@unmc.edu](mailto:juquigley@unmc.edu)) with a short blurb about yourself and interest in this project.

**Description of partner organization's priority opportunities (APEX activities):**

- Potential students will work with the Health Promotion Program at Douglas County to create a project management tool for the Overdose Prevention Program and their Community Health Workers. Students will work collaboratively with educators, community health workers, health planners and the Health Promotion Supervisor to create a tool that is useful for project updates.

**Timeframe of proposed activities:** Spring 2025
