

2026 HOSPITAL FIRST RECEIVER AWARENESS VIRTUAL COURSE

The purpose of this course is to review and refresh hospital staff on the dangers of contaminated patients entering their building. It will provide them a review of prevention, preparedness, and response techniques to keep their hospital safe. This stand-alone virtual course follows the OSHA First Receiver Awareness levels training refresher guidelines.

This awareness-level course consists of three (3) virtual sessions. Each session is offered twice during the week to accommodate fluctuating schedules. Participants **MUST** attend one session per week to be considered for course completion. All times listed are in CENTRAL time.

Session 1 (virtual)

Monday, March 23rd 2:30-5:00pm CDT
or
Tuesday, March 24th 9:00-11:30am CDT

Session 2 (virtual)

Monday, March 30th 2:30-5:00pm CDT
or
Tuesday, March 31st 9:00-11:30 CDT

Session 3 (virtual)

Monday, April 6th 2:30-5:00pm CDT
or
Tuesday, April 7th 9:00-11:30am CDT
