Overview
Applicants to the UNMC College of Public Health (COPH) MPH Program may request a waiver from the GRE if they fulfill at least one of the following criteria:

- They have been conferred a graduate or terminal degree (for example M.S., M.A., M.D., Pharm.D., Ph.D.), from a regionally-accredited U.S. institution of higher education.
- Completed a UNMC Public Health Certificate and earned a minimum cumulative Grade Point Average of 3.25 and no less than a B in any course.
- Have three years of full-time career experience post completion of a bachelor's degree with a minimum GPA of 3.5.

Applicants are advised that the GRE waiver is not automatic and an approved GRE Waiver application does not guarantee later acceptance into the program. Those requesting a GRE waiver are encouraged to do so prior to formally applying through SOPHAS. To apply for the GRE waiver, applicants will need to submit the following items via email to coph@unmc.edu:

- Completed GRE Waiver Application Form
- Scanned copies of all college or university transcripts (official or unofficial are acceptable)
- A current resume or Curriculum Vitae
