

CURRICULUM VITAE

AMY LAZARUS YAROCH, PH.D.

Addresses

Home: 9947 Broadmoor Rd.
Omaha, NE 68114
Cell: 402-990-7557

Work: Gretchen Swanson Center for Nutrition
505 Durham Research Plaza, Rm 1024
Omaha, NE 68105
Phone: 402-559-5500
Email: ayaroch@centerfornutrition.org
Website: www.centerfornutrition.org

Education

May 1999 **Ph.D., Department of Nutrition and Health Sciences, Emory University, Atlanta, Georgia**
• Specialization: Behavioral Sciences and Health Education (Community and Preventive Health)

Aug 1990 **B.A. (Magna cum laude), State University of New York at Albany, Albany, New York**
• Major: Psychology Minor: Biology

Professional Experience

Mar 2009- Present **Executive Director, Gretchen Swanson Center for Nutrition, Omaha, NE**
• Oversee all the research and community services for an independent, 501(c)(3) tax-exempt non-profit nutrition research center
- Direct behavioral/public health programs for childhood obesity prevention, survey development and evaluation, local food systems and health at the individual, environment and policy levels
- Submit grants and contracts to federal and local agencies, and foundations
- Continue to collaborate with the National Cancer Institute on the Food Attitudes and Behaviors (FAB) Survey to assess fruit and vegetable intake, as well as psychosocial correlates of intake
- Oversee staff and mentor scientific staff and post-doctoral fellows
- Mentor Masters of Public Health (MPH) and doctoral students
- Chair and serve on expert panels and subcommittees

Aug. 2002- Mar 2009 **Behavioral Scientist/ Program Director/Project Officer, National Cancer Institute, Bethesda, MD**
• Oversaw multi-million dollar grant portfolios in the areas of nutrition, physical activity, obesity prevention, and skin cancer prevention
- Managed grants and interacted regularly with the extramural scientific community
- Scientific review and tracked progress on grants
- Developed and co-developed Program Announcements and Request for Applications
• Organized and chaired conferences and behavioral workshops
• Lead in-house research projects, such as serving as scientific lead on the development and implementation of a national survey, the Food Attitudes and Behaviors (FAB)
• Collaborated on development and implementation of youth obesity policy project: to develop evaluation framework for youth- related obesity policies in schools (e.g., physical education and nutrition)
• Survey development and analysis in the areas of diet, physical activity, and skin cancer prevention (FAB, HINTS, NHIS, CHIS, HealthStyles, YouthStyles, and ConsumerStyles)
• Collaborated on numerous activities with colleagues from various federal agencies, including the CDC, USDA, other institutes or offices within NIH (NIDDK, NICHD, NHLBI, OBSSR, others)
• Mentored pre-doctoral and post-doctoral graduate students
• Served on various committees: (federal and non-federal)
• Representative for childhood obesity prevention activities for the Behavioral Research Program, Division of Cancer Control and Population Sciences, National Cancer Institute
• Liaison to the Robert Wood Johnson Foundation on childhood obesity prevention activities

AMY L. YAROCH

Page 2

- April 1999-
July 2002** **Assistant Scientist, AMC Cancer Research Center, Denver, Colorado**
- Developed grant proposals
 - Nutrition and physical activity interventions, primarily with families and youth
 - Dietary assessment among minority and youth
 - Skin cancer prevention in children
 - Served as PI on Dietary Assessment R21 Pilot Study
 - Designed curriculum for skin cancer prevention project (Sunny Days)
 - Developed tailored intervention for middle school children
 - Designed and directed measurement issues related to Sunny Days, including survey development and evaluation
 - Developed protocols and trained staff on data collection procedures
 - Hired, trained, and supervised staff
 - Developed focus group protocols and led groups
 - Oversaw budget on existing grants and prepared budgets for submission of new proposals
- July 1996-
Mar. 1999** **Project Director, Go Girls!, Rollins School of Public Health, Emory University**
- Developed, modified, and implemented dietary and physical activity assessment measures in minority adolescents
 - Hired, supervised, and trained staff in data collection, curriculum administration, and recruitment
 - Develop and implement components of the GO GIRLS! curriculum
 - Lead recruitment of program participants
 - Design and lead dietary assessment sub-study
- Jan. 1996-
Jun. 1996** **Project Coordinator, Gimme 5 for Better Health, Rollins School of Public Health, Emory University**
- Evaluated teachers adherence to implementing the Gimme 5 curriculum (a school-based nutrition intervention)
 - Supervised and trained staff in conducting interviews and observations of teachers
 - Conducted interviews and observations of teachers
 - Entered and analyzed results and co-authored a manuscript
- Jan. 1995-
May 1995** **Teaching Assistant, Nutritional Epidemiology/Assessment, Rollins School of Public Health, Emory University**
- Taught Ph.D. and MPH graduate students anthropometric, biochemical, clinical, and dietary assessment of nutritional status
- June 1990-
Dec. 1993** **Laboratory Technician II, Cornell University Medical College, New York, NY**
- Performed numerous DNA methods
 - Plasmid preparation
 - DNA sequencing
 - Culture and transfection of mammalian cells
 - Supervised and managed laboratory
 - Co-authored manuscripts and aided in the development of grant proposals

Funded Projects – Current

- **Gretchen Swanson Center for Nutrition Foundation:** Pilot study to explore healthy children's menu items in a low-income area in Omaha, Nebraska. (7/11-12/12). Role: Co-Investigator (3% effort)
- **Share Our Strength's Cooking Matters:** Develop a cognitive interview guide and protocol for Cooking Matters staff and training staff to conduct cognitive interviews to inform their continued efforts to test and refine the Eating Smart from The Start Program. In addition, pre-post evaluation and psychometric testing will be conducted. (01/11-12/11). Role: PI (9% effort).
- **National 4-H Council, United States Department of Agriculture:** Evaluation for Youth Voice: Youth Choice programs across the country. This grant supports developing and implementing the evaluation. (06/11-06/12). Role: Co-Investigator (3% effort).
- **ConAgra Foods Foundation:** To evaluate the Hunger-Free Heartland Initiative – a tri-county program to help alleviate hunger in the Omaha area. (03/10-09/11). Role: PI (15% effort).
- **Centers for Disease Control and Prevention:** Communities Putting Prevention to Work (CDC-FRA-DP09-912ARRA09). 04/10-04/12). Total costs: \$191,556. Role: Co-Investigator (10% effort).
- **National Cancer Institute:** Consult and work related to Food Attitudes and Behaviors (FAB) Survey and development of the new Food, Activity, Sleep, Sun-safety, and Tobacco Behaviors (FASST) Survey. (08/09-05/12). Role: IPA (20-25% effort).

Funded Projects – Past

- **National 4-H Council, United States Department of Agriculture:** Led review on indicators and measures for healthy eating, physical activity and injury prevention. (09/10-02/11). Role: PI
- **National Cancer Institute/National Institutes of Health:** Manage multi-million dollar NCI grant portfolio, serve as NCI representative to NIH study sections, develop/co-develop and serve as program contact on NIH initiatives (e.g., RFA's PAs), and act as liaison to the extramural scientific community. (2002-2009)
- **National Cancer Institute awarded contract to Westat:** Food Attitudes and Behaviors (FAB) Survey. 9/06-11/08. Total costs: \$658,574. Role: Lead Investigator.
- **National Cancer Institute awarded contract to Porter Novell:** "5-A-Day Customized Survey" subcontract. (9/05-8/06). Total costs: \$300,000. Role: Lead Investigator.
- **National Cancer Institute:** R21, Dietary Assessment in Minority Adolescents. (7/01-07/03). Total direct costs: \$100,000/year, Indirect costs: \$69,000/year. Role: PI (20% effort).
- **Centers for Disease Control and Prevention (CDC):** Co-authored manuscripts and consulted on various issues surrounding behavioral nutrition and physical activity interventions and other 5-A-Day topics. Partnered in developing a workshop on Fruit and Vegetable Environment, Policy, and Pricing held in Atlanta, GA in September 2002. (7/01-6/03). Role: IPA (30% effort).

Consultations

- 2000-2002** **Freelance Writing,** Reuters Health, Doctor's Guide, and CBS Healthwatch
Wrote articles on various health-related issues for lay public and doctors, including conference coverage.

Consultations (continued)

- 2000** **Dietary Assessment**, Emory University
Trained staff on the development, modification, administration, data entry, and analysis of picture-sort food frequency questionnaire.
- 1998-1999** **Dietary Assessment**, Centers for Disease Control and Prevention (CDC), Atlanta, Georgia
Completed a comprehensive search and technical review of the scientific literature on dietary pattern and behavioral assessment.
- Comprehensive listing of pertinent literature
 - Technical summary and evaluation of assessment methods
 - Recommendations of instruments to be used by the CDC

Academic Service Activities

Academic Appointments

- 2009-Present** **Professor**, Department of Health Promotion, Social, and Behavioral Health, College of Public Health, University of Nebraska Medical Center, Omaha, NE
- 2009-Present** **Adjunct Professor**, Department of Nutrition and Health Sciences, University of Nebraska, Lincoln, NE
- 2009-Present** **Member** of Interdepartmental Nutrition Program, University of Nebraska, Lincoln, NE
- 2009-Present** **Associate Member** of Cancer Prevention and Control Program, UNMC Eppley Cancer Center, Omaha, NE
- 2001-2002** **Adjoint Assistant Professor**, Department of Preventive Medicine and Biometrics, University of Colorado Health Sciences Center, Denver, CO

Grant and Contract Reviews (2000-Present)

- 2011** **Standing Study Section Reviewer**, Psychosocial Risk and Disease Prevention (PRDP), NIH
- 2010-Present** **Ad Hoc Reviewer**, Dissemination & Implementation Research in Health (DIRH) Study Section Panel, NIH
- 2010-Present** **Ad Hoc Reviewer**, Psychosocial Risk and Disease Prevention (PRDP), NIH
- 2008-Present** **Ad Hoc Reviewer**, Healthy Eating Research Grants, RWJF
- 2010** **Ad Hoc Reviewer**, AFRI Childhood Obesity Prevention Panel, USDA
- 2010** **Chair**, (RFA CA-10-006) Transdisciplinary Research in Energetics and Cancer (TREC), NIH
- 2010** **Ad Hoc Reviewer**, (RFA-HL-10-005) Childhood Obesity Prevention and Treatment Research Coordinating Unit, NHLBI
- 2010** **Chair**, Behavioral Research Small Grants, NCI
- 2009** **Ad Hoc Reviewer**, Community Level Health Promotion (CLHP) Study Section, NIH
- 2009** **Ad Hoc Reviewer**, (RFA-HL-08-013) Special Emphasis Panel/Translating Basic Behavior and Social Science Discoveries into Interventions to Reduce Obesity: Centers for Behavioral Intervention Development, NIH
- 2009** **Ad Hoc Reviewer**, (2RG/RPHB-A-58) Stage 2 Distinguished Editorial Panel (Challenge Grants), NIH
- 2008-2009** **Ad Hoc Reviewer**, Salud America! Grants, RWJF
- 2004-2008** **Ad Hoc Reviewer**, Contracts, NCI
- 2000-2002** **Ad Hoc Reviewer**, Small Business Innovation Research (SBIR) Grants, NIH

Journal Reviews (1999-Present)

- American Journal of Health Promotion (Board of Editors: 2002-2004)
- American Journal of Preventive Medicine
- Annals of Behavioral Medicine
- Archives of Pediatric and Adolescent Medicine
- Health Education and Behavior
- Health Promotion Practice
- International Journal of Behavioral Nutrition and Physical Activity
- Public Health Nutrition
- Journal of Adolescent Health
- Journal of American Academy of Dermatology
- Journal of the American Dietetic Association
- Journal of Health Communication
- Journal of Hunger and Environmental Nutrition
- Journal of Nutrition Education and Behavior (Board of Editors: 2005-2007)
- Obesity
- Obesity Research
- Preventive Medicine

Other

- **Search Committee** for Exercise Physiology Assistant Professor Position – University of Nebraska-Omaha (UNO), 2009-2010
- **Member** of AMC's Institutional Review Board (IRB) Committee, 2000-2002

Presentations

1. **Tackling the National Institutes of Health (NIH) Grants System.** University of North Carolina, Chapel Hill, NC, June 2011.
2. **Promoting a Healthier Next Generation.** Westside Community Schools District 66. Omaha, NE, May 2011.
3. **Successfully Navigating the National Institutes of Health Grant System.** Peggy and Charles Stephenson Oklahoma Cancer Center. Oklahoma, OK, May 2011.
4. **Results from the National Cancer Institute’s Food Attitudes and Behaviors (FAB Survey).** Grand Forks Human Nutrition Research Center, ARS/USDA, University of North Dakota, Grand Forks, ND, June 2010.
5. **How to access funding for secondary analysis at the NIH.** Society of Prevention Research Preconference Workshop. Denver, CO, June 2010.
6. **Correlates of fruit and vegetable consumption among US adults: Results from the Food Attitudes and Behaviors (FAB) Survey.** American Public Health Association Annual Meeting and Exposition. Philadelphia, PA, November 2009.
7. **What’s up with sun safety?: Trends and correlates of sun protective behaviors.** American Public Health Association Annual Meeting and Exposition. Philadelphia, PA, November 2009.
8. **Models for Researchers and Community Food Advocates Working Better Together.** The Community Food Security Coalition Annual Meeting. Des Moines, IA, October 2009.
9. **Addressing the ‘Health’ in Health Care: Nutrition, Prevention, and Wellness Practices.** Field Hearing before the House Agriculture Committee’s Subcommittee on Nutrition. Lincoln, NE, August 5, 2009.
10. **NIH Grants: How to and why with secondary data analysis.** AACR Conference on the Science of Health Disparities. Carefree, AZ, Feb 2009.
11. **Shaking the federal funding tree.** Third Annual Healthy Eating Research Grantee Meeting. St. Paul, MN, Oct 2008.
12. **Introductory remarks for synthesis session.** Decision Making in Eating Behavior: Interacting Perspectives from the Individual, Family, and Environment. Bethesda, MD, April 2008.
13. **Grant writing 101: submitting a proposal for secondary data analysis.** Society of Behavioral Medicine Annual Meeting and Scientific Sessions. San Diego, CA, March 2008.

Presentations (continued)

14. **New directions in childhood obesity. An interactive session with funders (roundtable).** Healthy Eating Research 2nd Annual Grantee Meeting. Minneapolis, MN, October, 2007.
15. **Predictors of fruit and vegetable consumption: the birth of the FAB (Food, Attitudes, and Behavior) Survey.** Invited presentation to the Division of Nutrition, Physical Activity, and Obesity, Centers for Disease Control and Prevention. Atlanta, GA, September, 2007.
16. **Update on diet and communications activities.** Invited presentation to the Division of Nutrition, Physical Activity, and Obesity, Centers for Disease Control and Prevention. Atlanta, GA, September, 2007.
17. **Validity of short dietary instruments and correlates of dietary supplement use in a multi-site behavioral intervention study in the U.S.: The Behavior Change Consortium Nutrition Working Group (Symposium Chair).** International Society of Behavioral Nutrition and Physical Activity Conference. Oslo, Norway, June 2007.
18. **Baseline elements for 7 sites participating in the Behavior Change Consortium Nutrition Working Group.** International Society of Behavioral Nutrition and Physical Activity Conference. Oslo, Norway, June 2007.
19. **Securing an NIH grant.** HINTS Data Users Conference: Building the Evidence Base in Cancer Communication. Pasadena, CA, May 2007.
20. **How to navigate the NIH grants system.** NCI Small Grants Program for Behavioral Research in Cancer Control. Bethesda, MD, January, 2007.
21. **Moving forward in the area of diet and communication.** Kick-off Meeting for the FNS Nutrition Messages Workgroup. Alexandria, VA, September, 2006.
22. **How to locate current funding opportunities at the NCI.** 2nd Biennial Career Development Workshop to Increase Diversity in Research Funding. Desert Springs, CA, September, 2006.
23. **Why are nutrition messages so difficult? Introductory remarks for question and answer session.** Diet and Communication Workshop. Bethesda, MD, July 2005.
24. **Update on diet/nutrition-related activities, including 5 a day customized survey, diet and communications activities to the Division of Nutrition and Physical Activity, Centers for Disease Control and Prevention.** Leadership meeting between CDC and NCI DWPA. Atlanta, GA, July 2005.
