

Nebraskans Can Treat Their Drinking Water for Free!

If your drinking water has high concentrations of nitrate, the Nebraska Department of Environment and Energy (NDEE) is offering an opportunity for you to treat it for free with the Reverse Osmosis System rebate program.

Application opens: January 1st, 2023

Application closes: June 23, 2024

Eligibility Requirements:

1. This program is open to anyone with a private well.
2. The private well must be registered.
3. Applicants will need to submit water quality data from the State laboratory, with testing results dated no earlier than January 1, 2022.
4. Only wells with samples above 10 ppm nitrate will be eligible for this program.

Why Apply?

Treating your drinking water helps protect the health of you and your loved ones.

There are known health impacts for drinking nitrate contaminated water. The strongest linked are:

- blue baby syndrome
- preterm birth issues
- birth defects
- pediatric cancers
- adult cancers
