

The Fremont Health Foundation is pleased to provide scholarship assistance to students who have completed one full year of post-secondary education.

Available Scholarships:

Fremont Health Foundation Scholarship - Up to two \$1,000 scholarships awarded

Given to students pursuing a degree in a health care field with permanent residence in the Methodist Fremont Health service area who have successfully completed one year of post-secondary education and are presently a full-time student.

Fremont Health Foundation Impact Scholarship - One \$2,000 scholarship awarded

Given to students pursuing a degree in a health care field with permanent residence in the Methodist Fremont Health service area who have successfully completed one year of post-secondary education and are presently a full-time student. Applicants must have a minimum 3.0 GPA or higher. Applicants must be able to demonstrate the impact they have had through community service and school involvement as well as the impact they want to achieve in healthcare. Applicants will also be evaluated on academics, character, financial need and leadership qualities.

Methodist Fremont Health Employee Child/Spouse Scholarship - Up to two \$1,000 scholarships awarded

Given to the child or spouse of a Methodist Fremont Health employee who is currently employed with Methodist Fremont Health and has been for at least three years. Applicant must have successfully completed one year of post-secondary education and is presently a full-time student in any course of study.

Michael Leibert Scholarship - One \$1,000 scholarship to be awarded

Given to students with permanent residence in the Greater Fremont area who have been accepted into an accredited health care training program directly related to identified needs at Methodist Fremont Health.

Robert and Arlis Higley Memorial Scholarship - One \$1,000 scholarship awarded

Given to students who are pursuing a Nursing career and have completed at least one year of post-secondary education with permanent residence in Arlington, Cedar Bluffs or Dodge County.

Byron M. Dillow M.D. Memorial Scholarship - One \$1,000 scholarship awarded

Given to students with permanent residence in the Greater Fremont area who have completed at least one full year of post-secondary education. Recipients should be committed to a health service career either by acceptance into a health-related program of study or a person presently in a health service career that has been accepted for post-graduate study or career enhancement.

Maria M. and James H. Moore, Jr. Scholarship - One \$1,000 scholarship awarded

Granted to a student who is pursuing a career in the nursing field and is currently a junior or senior at Midland University. The student must plan on a permanent residence in the Fremont or surrounding area after college completion. The student must be planning to work in the Fremont community in a health care position after completing school. Please be prepared to share in your interview how you plan to give back to your community, the location you hope to be hired and working full time for, as well as your future plans to support the Fremont community. The Moore family has a strong passion for our community, giving back to our community and seeking a great place to work, play and live. They hope you enjoy the Fremont community and you choose to make this home.

Please Note: Students who are the immediate relation (child, grandchild, niece or nephew or spouse of same) of individuals who serve on either the Fremont Health Foundation Board of Directors or the Methodist Fremont Health Board of Trustees are not eligible for these scholarships.

Application Procedure:

Visit www.fremonthealthfoundation.org/scholarships to fill out an electronic application. All applications must be submitted electronically and include the following:

- Cover letter of introduction that addresses your career goals, why you are applying for scholarship assistance and indicate how your receiving a Foundation scholarship may benefit the Fremont area health care community
- Resume highlighting extra-curricular activities, community involvement, leadership and employment
- Transcript(s) for all college institutions attended – Please e-mail your transcript(s) to MFHFoundation@nmhs.org or mail to Fremont Health Foundation, 450 E. 23rd St., Fremont, NE 68025
- **Students applying for the Foundation Impact Scholarship** - Please also include a summary (different from your goals and aspirations summary) of the impact you have made as well as the impact you have received through community service and school involvement (extra-curricular activities). Please also include how you hope to make an impact within the field of healthcare and how this scholarship will impact you. (350 words maximum)

The deadline to submit application and all other requirements is October 15, 2021.
