

# UNMC Student Fee Descriptions

Last updated: 9.28.2022

## College of Allied Health Professions

Fee Name		Fee Description
<b><u>COURSE FEES</u></b>		
<b><u>Clinical Perfusion</u></b>		
Perfusion 1 Fall Course Fee (Year 1 CPE Only)	Fall Semester	Covers N95 Fit Testing for CLPR 506
Perfusion 2 Fall Course Fee (Year 2 CPE Only)	Fall Semester	Covers EXXAT annual subscription and license fees (\$200); BLS training (\$70); drug panel screens (\$40); and access to My Clinical Exchange (\$30).
<b><u>Cytotechnology</u></b>		
Cytotechnology Microscope Eyepiece Camera Fee	Fall Semester	Covers purchase of a \$100 camera for each student for use throughout the entire program. They will use the camera to send pictures to their instructors and also to have virtual microscope sessions in real time. The camera allows instructors to see what students are seeing from anywhere the students are viewing microscope slides. This will enhance the teaching/learning experience, especially as the Cytotechnology program continues to have more students completing their program via distance. And the student will own the camera at the end of their program.
Cytotechnology Fall Microscope Fee	Fall Semester	Covers \$25 microscope rental, cleaning/maintenance and annotation of slides in 701, 702, 703, 704, 705
Cytotechnology Spring Microscope Fee	Spring Semester	Covers \$25 microscope rental, cleaning/maintenance, and annotation of slides in 710, 711, 713, 714
Cytotechnology Virtual Microscopy Fee	Fall Semester	Covers \$175 virtual microscopy in 702, 703, 704, 705
Cytotechnology Virtual Microscopy Fee	Spring Semester	Covers \$175 virtual microscopy in 710, 711, 714
<b><u>Diagnostic Medical Sonography</u></b>		
DMS Fall Course Fee	Fall Semester	Covers Fall course fees for SDMS Membership fee (MITS 415S/615S), Trajecsys enrollment fee (MITS 412S/612S), and Scan Bands used in both clinical and lab scanning
<b><u>Genetic Counseling</u></b>		

GC 1 Fall Course Fee (Year 1 Only)	Fall Semester	Covers Fall course fees for standardized patient costs (\$21.50) for GENC 610 and registration for Resolved Through Sharing workshop, a workshop designed to meet the bereavement care needs of genetic counseling students (\$40)
GC 1 Spring Course Fee (Year 1 Only)	Spring Semester	Covers Spring course fees for standardized patient costs (\$21.50) and Intercultural Development Inventory (\$12) for GENC 611; student license to use Typhon software for clinical rotations (\$100).
GC 2 Fall Course Fee (Year 2 Only)	Fall Semester	Covers Fall course fees for strength assessment tool for GENC 710 (\$30); student membership to the National Society of Genetic Counselors (NSGC) in GENC 710 (\$120); registration for Resolved Through Sharing workshop, a workshop designed to meet the bereavement care needs of genetic counseling students (\$40); Capstone Project fee to cover statistician support and other Capstone-related needs (e.g. transcription or coding software) for GENC 721 (\$176).
GC 2 Spring Course Fee (Year 2 Only)	Spring Semester	Covers Spring course fees for board practice exam (\$55) for GENC 711, Project DOCC (\$30) for GENC 718; and Capstone Project fee to cover statistician support and other Capstone-related needs (e.g. transcription or coding software) for GENC 722 (\$176).
<b><u>Magnetic Resonance Imaging</u></b>		
MRI Fall Course Fee	Fall Semester	Covers Fall course fees for N95 Fit Testing fee (\$75); student licensing fees to use ScanLabMR, a virtual laboratory for MRI scanning (\$75); fees for printed clinical handbook and Trajecsys enrollment fee for MITS 465R/665R (\$115). Trajecsys is an online clinical management and tracking system.
<b><u>Medical Imaging &amp; Therapeutic Sciences</u></b>		
MITS 434S Vascular Sonography Externship	Per Course	Covers Trajecsys enrollment fee; NDS students only
MITS 436S Adult Cardiac Sonography Externship	Per Course	Covers Trajecsys enrollment fee; NDS students only
MITS 634S Vascular Sonography Externship	Per Course	Covers Trajecsys enrollment fee; NDS students only
MITS 636S Adult Cardiac Sonography Externship	Per Course	Covers Trajecsys enrollment fee; NDS students only
<b><u>Medical Laboratory Science</u></b>		

MLS Fall Manual Fee	Fall Semester	Covers Fall course manuals needed in biohazardous areas (MLS 407, 408, 409, 410, 411)
MLS Fall Microscope Rental Fee	Fall Semester	Covers maintenance and replacement of microscopes on UNMC Omaha and Kearney campus
<b><u>Medical Nutrition Education</u></b>		
MMN1 Fall Course Fee	Fall Semester	Covers student licenses for Typhon software for clinical rotations (\$90) for MNED 710; registration fee for MyClinicalExchange for rotations at Children's Hospital (\$20) for MNED 730; N95 fit testing (\$75); standardized patient fees (\$50) for MNED 732; ServeSafe certification (\$35) for MNED 710; and shared reference materials (\$5).
MMN1 Spring Course Fee	Spring Semester	Covers Spring course fees needed for Standardized Patients (\$50) and shared reference materials (\$5) for MNED 787
MMN1 Summer Course Fee	Summer Semester	Covers Summer course fees needed for Registered Dietitian Exam study guides (\$67 for ACEND guide, \$48 for Inman guide, \$100 for Eat Right Exam study guide)
MMN2 Fall Course Fee	Fall Semester	Covers Fall course fees needed for \$50 for Gallup Clifton Strengths finder tool; \$50 poster and \$50 abstract fee (MNED 790); and supplies for the student cooking demonstration project (\$10) in MNED 766
<b><u>Occupational Therapy</u></b>		
OTD1 Fall Course Fee	Fall Semester	Covers Complete Anatomy Software (\$35) and EXXAT Licensing (\$100), plus EXXAT Student Subscription (\$43), ICE Video Subscription (\$21), and AOTA Membership (\$75) for OCCT 501 and OCCT 520.
OTD1 Spring Course Fee	Spring Semester	Covers fees for Simucase (an online learning platform that connects students to videos and simulations) (\$100) and Standardized Patients (\$35) (\$30/hr. x 9 hrs. x 6 SPs = \$1,620/46) for OCCT 521.
OTD1 Summer Course Fee	Fall Semester	Covers Standardized Patient fees for OCCT522: (\$35) (\$30/hr. x 9 hrs. x 6 SPs = \$1,620/46 students).
OTD2 Fall Course Fee	Fall Semester	Covers annual membership for students to the American Occupational Therapy Association (AOTA) (\$75), Standardized Patient expenses (\$35), Mental Health First Aid instruction (\$37) for OCCT 623, the Fieldwork Performance

		Assessment (\$18) for OCCT 552 and supplemental materials (gel, pads, etc.), for PHYT/OCCT510 (\$5). This fee also covers the software and EXXAT license fees for students for OCCT 623 (\$100).
OTD2 Spring Course Fee	Spring Semester	Covers the Fieldwork Performance Evaluation tool (\$9), Simucase annual license (\$100), and travel to fieldwork sites (\$14) for OCCT 650.
OTD2 Summer Course Fee	Summer Semester	Covers advocacy materials and supplies (\$10) and the Occupational Therapy Knowledge Exam (OTKE) fee (\$25) for OCCT 700; teaching materials (\$10) for OCCT 701; and community program supplies and printing expenses (\$10) for OCCT 702.
OTD3 Fall Course Fee	Fall Semester	Covers \$20 printing services expense for advocacy and \$100 EXXAT license fee
OTD3 Spring Course Fee	Spring Semester	Covers cost of travel to fieldwork sites (AFWC) (\$14) and graduation pin expenses (\$3) for OCCT 713.
<b><u>Physical Therapy</u></b>		
PT1 Fall Course Fee (Year 1 PT Only)	Fall Semester	Covers periodic handouts for PHYT 560 (\$5) and supplemental materials for PHYT 502 (\$5).
PT1 Spring Course Fee (Year 1 PT Only)	Spring Semester	Covers Spring course fees for N95 Fit Testing and 3 masks (\$76); copies of supplemental materials (lab assessments/exams) for PHYT 575 (\$5); copies of supplemental materials for PHYT 640 (\$5); clinical education data management software system access for PHYT 500 (\$25); clinical education ID badge (\$5); supplemental materials and supplies for biomechanics demos for PHYT 505 (\$10); copies of supplemental materials for PHYT 512 (\$5); Standardized Patients for Omaha & Kearney (\$12).
PT1 Summer Course Fee (Year 1 PT Only)	Summer Semester	Covers Summer course fees for copies of supplemental materials (PHYT 509- \$5; PHYT 604- \$5), Standardized Patients and supplemental materials for integrated simulation (\$35), and supplemental materials including periodic calculator replacement (PHYT 622 - \$5)
PT2 Fall Course Fee (Year 2 PT Only)	Fall Semester	Covers clinical education data management software system access (\$25); copies of supplemental materials for PHYT 605 (\$5); copies of backup exams, academic integrity sheets, periodic handouts, periodic replacement of calculators for

		PHYT 610 (\$5); copies of supplemental materials for PHYT 616 (\$5); copies of simulation-related materials for PHYT 623 (\$5); and N95 Fit Testing with three masks (\$76)
PT2 Spring Course Fee (Year 2 PT Only)	Spring Semester	Covers Spring course fees for copies of supplemental materials for PHYT 611 (\$5); standardized testing booklets for the Standardized Testing in Pediatrics lecture for PHYT 612 (\$7); copies of supplemental materials for PHYT 617 (\$5); copies of supplemental materials for PHYT 624 (\$5); copies of supplemental materials for PHYT 727 (\$5); equipment fee (\$160); and Standardized Patients and supplemental materials for integrated simulation PHYT 660 (\$35).
PT2 Summer Course Fee (Year 2 PT Only)	Summer Semester	Covers Summer course fees for annual subscription of CPI tool and the CSIF, clinical education data management software (\$32)(PHYT 650)
PT3 Fall Course Fee (Year 3 PT Only)	Fall Semester	Covers Fall course fees for clinical education data management software system access for PHYT 700 (\$25); copies of supplemental materials for PHYT 722 (\$5); copies of back up exams and supplemental materials for PHYT 730 (\$5); and N95 Fit Testing with three masks (\$76)
PT3 Spring Course Fee (Year 3 PT Only)	Spring Semester	Covers Spring course fees for annual subscription of CPI tool (\$6) and the CSIF clinical education data management software (\$25) for PHYT 701; and the Academic PEAT for PHYT 751 (\$79)
<b><u>Physician Assistant</u></b>		
PA1 Fall Course Fee (Year 1 PA Only)	Fall Semester	Covers AAPA student membership dues, which all PA students are required to join.
PA1 Spring Course Fee (Year 1 PA Only)	Spring Semester	Covers Spring course fees for instructional materials, clinical supplies and standardized patients (\$60)(PHAS 630); instructional materials and student medical documentation books (\$25) (PHAS 632), and instructional materials, standardized patients and printing (\$120) (PHAS 650)
PA1 Summer Course Fee (Year 1 PA Only)	Summer Semester	Covers Summer course fees for instructional materials, clinical supplies, standardized patients, skills workshops, ACLS, and PALS instruction (\$540)(PHAS 635); instructional materials and printing (\$35 - PHAS 637) (\$25 - PHAS 645) (\$35 - PHAS 655), and instructional materials, printing, poster development and presentation (\$20) (PHAS 670)

PA2 Fall Course Fee (Year 2 PA Only)	Fall Semester	Covers standardized patients (\$12.50), skills workshops (\$25), software for student use specific to the courses, exams and assessments (\$152.50), and clinical placement services connected to clinical rotations and a related scheduling database through an affiliated third-party organization (\$750).
PA2 Spring Course Fee (Year 2 PA Only)	Spring Semester	Covers standardized patients (\$12.50), skills workshops (\$25), software for student use specific to the courses, exams and assessments (\$152.50), and clinical placement services connected to clinical rotations and a related scheduling database through an affiliated third-party organization (\$750).
PA2 Summer Course Fee (Year 2 PA Only)	Summer Semester	Covers standardized patients (\$12.50), skills workshops (\$25), software for student use specific to the courses, exams and assessments (\$152.50), and clinical placement services connected to clinical rotations and a related scheduling database through an affiliated third-party organization (\$750).
PA3 Fall Course Fee (Year 3 PA Only)	Fall Semester	Covers standardized patients (\$12.50), skills workshops (\$25), software for student use specific to the courses, exams and assessments (\$152.50), and clinical placement services connected to clinical rotations and a related scheduling database through an affiliated third-party organization (\$750).
<b><u>Radiation Therapy</u></b>		
Rad Therp Fall Course Fee	Fall Semester	Covers Fall course fees needed for VERT maintenance
Rad Therp Summer Course Fee	Summer Semester	Covers Summer course fees needed for board exam materials in MITS 445T/645T
<b><u>Radiography</u></b>		
RAD1 Fall Course Fee for Omaha Students (Year 1 RAD Only)	Fall Semester	Covers fees for the myClinicalExchange software application for clinical rotations at Children's Hospital (\$79), Clover Learning/Rad Boot Camp 14-mo. subscription fee for board preparation (\$65), N95 fit testing (\$75) for MITS 315R, purchase of lead markers (\$30), the Trajecsyst enrollment fee (\$150) for MITS 315R (Trajecsyst is an online clinical management and tracking system) and student membership to the American Society of Radiologic Technologists (ASRT) (\$35) for MITS 402R.

RAD1 Fall Course Fee for non-Omaha Students (Year 1 RAD Only)	Fall Semester	Covers fees for the Clover Learning/Rad Boot Camp 14-mo. subscription fee for board preparation (\$65); N95 fit testing (\$75) for MITS 315R; purchase of lead markers (\$30), the Trajecsys enrollment fee (\$150) for MITS 315R (Trajecsys is an online clinical management and tracking system) and student membership to the American Society of Radiologic Technologists (ASRT) (\$35) for MITS 402R.
RAD2 Fall Course Fee (Year 2 RAD Only)	Fall Semester	Covers Clover Learning/Rad Boot Camp subscription fee (\$65) for board preparation for Radiography students.
RAD2 Spring Course Fee (Year 2 RAD Only)	Spring Semester	Covers Spring course fees for Kettering Board review (\$175) for MITS 407R
<b><u>LABORATORY FEES</u></b>		
<b><u>Clinical Perfusion</u></b>		
Perfusion1 Fall Lab Fee (Year 1 CPE Only)	Fall Semester	Covers annual lab costs for transducers, tubing, other miscellaneous supplies and simulator equipment repair/maintenance for CLPR 502.
Perfusion1 Summer Lab Fee (Year 1 CPE Only)	Summer Semester	Covers summer lab fees for supplies including syringes, gloves, masks, needles, sharps containers, perfusion equipment, perfusion disposables, and animal care charges for CLPR 701.
<b><u>Cytotechnology</u></b>		
CYTO Fall Lab Fee	Fall Semester	Covers glass slides, cover slips, gloves, plastic aprons, and other lab supplies for 701
CYTO Spring Lab Fee	Spring Semester	Covers glass slides, cover slips, gloves, plastic aprons, and other lab supplies for 714
<b><u>Diagnostic Medical Sonography</u></b>		
DMS Fall Lab Fee	Fall Semester	Covers Fall Lab fees for standardized patient and lab scan supplies (MITS 412S/612S and MITS 440S/640S)
DMS Spring Lab Fee	Spring Semester	Covers Spring Lab fees for standardized patient and lab scan supplies (MITS 402S/602S & MITS 450S/650S)

DMS Summer Lab Fee	Summer Semester	Covers Summer Lab fees for standardized patient and lab scan supplies (MITS 452S/652S & MITS 460S/660S)
<b><u>Medical Laboratory Science</u></b>		
MLS 302	Per Course	Covers wet lab materials; microscope use
MLS Fall Laboratory Fee	Fall Semester	Covers laboratory supplies (\$285) for MLS 407, 408, 409, 410, 411 and instructional design support (\$50)
<b><u>Occupational Therapy</u></b>		
OTD1 Fall Lab Fee	Fall Semester	Covers ADL lab expenses (\$55) and the lease expense for the Village Flats apartments in Kearney and the Davis Global Center apartments and the furnishings (linens, utensils and furniture) as well as PPE (\$18) for OCCT 501. The fee will also cover Lab Instructors (\$65) (\$50/hr x 4 hrs./wk. x 15 weeks = \$3,000/46 students) and equipment depreciation expense (Dynamometers, Pinch Gauge, Sensory Objects) (\$10) for OCCT 501; PPE (N95 mask fittings) (\$75) and Standardized Patients (\$35) (\$30/hour x 9 hrs. x 6 SPs = \$1,620/46 students) for OCCT 520; and range of motion measurement supplies (\$80); equipment depreciation and maintenance (wheelchairs, assistive devices) (\$15) and Standardized Patients (\$10) (\$30/hr. x 1 hr. X 15 weeks = \$450/46 students) for PHYT502.
OTD1 Spring Lab Fee	Spring Semester	Covers lab instructors (\$502) (3 instructors x \$50/Hr. x 11 hrs./week x 14 weeks = \$23,100/46 students); PPE (\$27) (50 masks x 45 sessions x .55/mask = \$1,237.50/46); assessment replacement forms (\$15); equipment replacement and maintenance costs (wheelchairs, ADL equipment) (\$20); printing fees for OSCE and SPACE cases, lab manuals (\$5) for OCCT 532. This fee also covers ADL lab expenses and the lease expense for the Village Flats apartments in Kearney and the Davis Global Center apartments as well as furnishings such as linens, utensils and furniture for OCCT 532 (\$55); and lab, splinting and activity supplies (\$25).

OTD2 Fall Lab Fee	Fall Semester	Covers lab instructors (\$502) (3 instructors x \$50/Hr. x 11 hrs./week x 14 weeks = \$23,100/46 students); PPE (\$27) (50 masks x 45 sessions x .55/mask = \$1,237.50/46); assessment replacement forms (\$15); equipment replacement and maintenance costs (wheelchairs, ADL equipment) (\$20); printing fees for OSCE and SPACE cases, lab manuals (\$5) for OCCT 530; Lab Supplies for PHYT/OCCT510 (\$30). This fee also covers ADL lab expenses and the lease expense for the Village Flats apartments in Kearney and the Davis Global Center apartments as well as furnishings such as linens, utensils and furniture for OCCT 530 (\$55); and lab, splinting and activity supplies (\$25)
<b><u>Physical Therapy</u></b>		
PT1 Fall Lab Fee (Year 1 PT Only)	Fall Semester	Covers Fall lab fees for HMS I: range of motion measurement supplies (goniometer, inclinometer, tape measure- \$62), mobility (gait belts, equipment replacement/upkeep including wheelchairs, assistive devices for gait and devices to assist patients with transferring- \$30), PPE masks (\$32); and hourly salaries for standardized patients- \$20)
PT1 Spring Lab Fee (Year 1 PT Only)	Spring Semester	Covers PPE masks for students (\$15); linens, hi-lo table maintenance and repair for PHYT 505 (\$10) and hi-lo table maintenance and repair, lab equipment (reflex hammers, cotton balls, monofilaments) for PHYT 512 (\$8).
PT1 Summer Lab Fee (Year 1 PT Only)	Summer Semester	Covers PPE masks for students (\$19); standardized patients, replacement of consumable exercise equipment such as Theraband, weighted balls, straps, equipment upkeep of physioballs and footstools for PHYT 509 (\$28); linens, biomed, electrodes, iontophoresis patches/electrodes, ultrasound gel, unit maintenance/calibration, unit rentals, tape, gauze, alcohol wipes, lotion and tongue depressors for soft tissue mobilization and instrument assisted soft tissue mobilization tools for PHYT 510 (\$16); linens, hi-lo table maintenance and repair, maintenance and replacement of supplies for lab (resistance bands) for PHYT 604 (\$10).

PT2 Fall Lab Fee (Year 2 PT Only)	Fall Semester	Covers PHYT 605: linens, hi-lo table maintenance and repair (\$10); PHYT 610: replacement and maintenance of equipment such as sphygmomanometers, incentive spirometers, single-use items such as mouth pieces for flow meters and straws for simulated lung disease activities (\$10); replacement of consumable items such as alcohol wipes and maintenance of equipment such as air splints, vibration forks, cervical position test devices, etc. (\$20); PPE masks (\$30)
PT2 Spring Lab Fee (Year 2 PT Only)	Spring Semester	Covers PHYT 606: linens, tape for treatment techniques, exercise equipment, manual therapy equipment, hi-lo table maintenance, standardized patients for simulation (\$50); PHYT 611: replacement of consumable equipment/supplies like wound dressings, wound care products, compression bandages and dressings, scalpels, forceps, pigs feet, Doppler ultrasound gel, alcohol wipes, monofilaments, gloves, cotton tipped applicators, linens (\$20); PHYT 612: linens and clean-up of the CFHL facilities after lab (\$5); PHYT 617: replacement of consumable equipment for sims, linens, maintenance of equipment (leg loops) and mat repair (\$6); PHYT 624: consumable supplies such as tape and splint material (\$15). Also includes a \$160 fee for equipment repair/maintenance.
PT2 Summer Lab Fee (Year 2 PT Only)	Summer Semester	Covers PPE masks for students in PHYT 601 (\$22)
PT3 Fall Lab Fee (Year 3 PT Only)	Fall Semester	Covers PPE masks for students in PHYT 700 (\$27) and linens for PHYT 730 (\$5)
PT3 Spring Lab Fee (Year 3 PT Only)	Spring Semester	Covers PPE masks for students in PHYT 701 (\$27.50)
<b><u>Physician Assistant</u></b>		
PA1 Spring Lab Fee (Year 1 PA Only)	Spring Semester	Covers PHAS 630: Addition of lab assistants used for physical examination skills to keep an appropriate student-to-faculty ratio for a hands-on, interactive lab and student assessment (three lab assistants x \$75/hr. x 40 hours each = \$9,000/66 = \$136). PHAS 650: Addition of lab assistants used for physical examination skills to keep an appropriate student-to-faculty ratio for a hands-on, interactive lab and student assessment (two lab assistants x \$75/hr. x 30 hours each = \$4,500/66 = \$68).

PA1 Summer Lab Fee (Year 1 PA Only)	Summer Semester	Covers PHAS 635: Lab assistants used for clinical skills to keep an appropriate student- to-faculty ratio for a hands-on, interactive lab and student assessment (three assistants at 40 hrs. each at \$75/hr. = \$9,000/66 students = \$136)
PA2 Fall Lab Fee (Year 2 PA Only)	Fall Semester	Covers PHAS 656: Lab assistants used for clinical skills to keep an appropriate student- to-faculty ratio for a hands-on, interactive lab and student assessment (two assistants at 30 hrs. each at \$75/hr. = \$4,500/66 students = \$68).
<b>Other Fees</b>		
<b>Additional Other Fees</b>		
CAHP Technology Fee	Fall/Spring Semester	Supports classroom technology for Bennett Hall on the Omaha Campus, the Health Science Education Complex on the Kearney campus, and other classrooms on the Omaha campus used by CAHP programs
MLS Technology & Software Licensing Fee (Per Semester)	Fall/Spring Semester	Covers the MLS iPad leasing fee and the ViewsIQ Panoptiq virtual microscopy licensing fee, which also provides access to the web-based viewer for students.

## College of Dentistry

<b>Fee Name</b>	<b>Fee Description</b>
Equipment Replacement Fund – Dentistry	These funds are used by the College to purchase and replace unrepairable equipment, worn out equipment, and equipment that has reached the end of its equipment life cycle.
Equipment Replacement Fund – Dental Hygiene	These funds are used by the College to purchase and replace unrepairable equipment, worn out equipment, and equipment that has reached the end of its equipment life cycle.
Technology Fee – D1, D2, D3, and D4 Students	These funds are used by the College to maintain the clinic electronic dental records (EDRs), pay annual licensing fees and software upgrades, buy new software and upgrades needed to support educational/course delivery and clinical instruction, and repair and replace College-owned hardware and peripherals.
Technology Fee – Dental Hygiene	These funds are used by the College to maintain the clinic electronic dental records (EDRs), pay annual licensing fees and software upgrades, buy new software and upgrades needed to support educational/course delivery and clinical instruction, and repair and replace College-owned hardware and peripherals.
Dental Instruments - Dentistry 1, 2, 3, and 4	These funds are used by the College in the management of all dental instruments, including inventory management, sterilization, packaging, distribution and calibration. Further, all dental material, supplies and biomaterials are purchased with this fund, as are auxiliary services such as the provision of clothing (scrubs), laundry, etc.
Dental Hygiene 3 Instruments and Dental Hygiene 4 Instruments	These funds are used by the College in the management of all dental hygiene instruments, including inventory management, sterilization, packaging, distribution and calibration. Further, all dental material, supplies and biomaterials are purchased with this fund, as are auxiliary services such as the provision of clothing (scrubs), laundry, etc.

## College of Medicine

Fee Name	Fee Description
PHAR 470/570 (PT and Nurses)	The funds will be used to provide course materials for the student academic studies.
MGCB 815 Tools and Algorithms in Bioinformatics	Covers the cost of a 6-month access to the Microsoft cloud, which will allow students to access the educational tools needed through their own devices. The 6-month access covers the length of the course along with pre-course and post-course access for instructors to develop lessons to meet the learning objectives of this course.
GCBA 812 Neuroanatomy, GCBA 826 Histology, GCBA 830 Electron Microscopy, 832 GCBA Cell & Tissue Culture, GCBA 924 Selected Problems in Electron Microscopy, M-ID 711 Anatomic Dissection	The funds will be used to support the salaries, benefits, operating expenses and supplies of the anatomy lab.
GCBA 814 Neuroanatomy Lab, GCBA 825 Histology (Master's in Medical Anatomy), GCBA 909 Gross Anatomy lab (Master's in Medical Anatomy), GCBA 913 Cross-Sectional Anatomy (Master's in Medical Anatomy), Technology Fee – All Master's in Medical Anatomy (MMA)	The funds are needed to support the salaries, benefits, operating expenses and supplies of the anatomy lab for the Master's in Medical Anatomy program.
COM Anatomy and Neuroanatomy Fee (First semester of first year only)	The funds are needed to support the salaries, benefits, operating expenses and supplies of the anatomy lab for Medical Students anatomy program. This fee supports anatomy teaching activity in first phase of the Medical student Curriculum.
M-ID 532 Acute Care Training	Lab fee to operate expenses and supplies in the instruction of the J-Term program.

GCBA Anatomy for PA – Omaha Campus	The funds will be used to support the salaries, benefits, operating expenses and supplies of the anatomy lab for the PA program.
GCBA Anatomy for PA – Kearney Campus	The funds will be used to support the salaries, benefits, operating expenses and supplies of the anatomy lab for the PA program.
GCBA Anatomy for PT - Omaha Campus	The funds will be used to support the salaries, benefits, operating expenses and supplies of the anatomy lab for the PT program.
GCBA Anatomy for PT – Kearney Campus	The funds will be used to support the salaries, benefits, operating expenses and supplies of the anatomy lab for the PT program.
PAMM 507 (PA's, Clinical Per fusionists), Pharmacy 470/570 (PT and Nurses) and PAMM 680/682 Pharmacy	The funds will be used to provide course materials for the student academic studies
COM Technology Fee	The College established this fee with the opening of the Michael Sorrell Center and the College assumed the responsibility for the replacement of equipment in the classrooms and simulation Labs. The College will continue to evaluate the fees to see what funds will be needed on a yearly basis.

## College of Nursing

Fee Name	Fee Description
Distributive Learning Fee:	Supports expenses related to distance education such as providing, repairing, and upgrading equipment; expenses and equipment to support learning in virtual reality environment; instructional technology services; and specialized personnel and services to support distributive learning.
Technology Fee:	Supports expenses related to classroom, testing center and learning technology, such as repair/upgrade classroom equipment, replacement/repair of clinical equipment, and specialized personnel to support instructional technology deployment, training, and use.
ATI Learning System – Levels 01-05 Fee:	Supports testing software, equipment, supplies, salaries of specialized personnel, and NCLEX review sessions. The ATI Optimal CBC RN package is utilized in the undergraduate program and embedded in the curriculum to prepare students for the NCLEX (licensing exam). The ATI products have been enhanced to correlate to student performance which leads to improved test scores and board pass rates for CON students. ATI product pricing is set annually for each cohort of students based on discussion between the vendor and CON Administration. Recent discussions resulted in a reduced annual price increase in AY 2021-22 and 2022-23. After analysis of the product costs for AY 2022-23 and anticipated costs for AY 2023-24, it has been determined that \$40 per credit hour will need to be assessed to cover the contracted expenses.
CON Undergraduate (Traditional and Accelerated) Course Fee:	Course fees will be used to pay the salary and benefits of a Clinical Placement Coordinator to seek and coordinate clinical sites for students to complete their clinical practica and Academic Success Coaches at each of the five divisions across the state to provide students with additional supports to help them succeed academically and ultimately pass the licensure exam upon graduation.
CON Professional, Graduate, and PhD Course Fee:	Course fees will be used to pay the salary and benefits of a Clinical Placement Coordinator to seek and coordinate clinical sites for students to complete their clinical practica and Academic Success Coaches at each of the five divisions across the state to provide students with additional supports to help them succeed academically and ultimately pass the licensure exam upon graduation.
CON Online Course Fee (RN-BSN Only)	The RN-BSN curriculum is delivered exclusively at a distance. This fee will cover \$31,500 of salary and benefits of instructional design technologists who provide support services for delivering courses and course content via video, electronic, and distance technologies for the anticipated 900 credit hours of enrollment.

## College of Pharmacy

Fee Name	Fee Description
Technology fee	The technology fee is for operating expenses for technology including ongoing software and hardware maintenance and expenses in the College of Pharmacy. Extensive technology hardware (e.g. a CAE video lecture capture system; McKesson pharmacy dispensing system) and software packages (e.g., the McKesson system) that have significant ongoing maintenance costs. In addition, this fee supports the student iPad program, which makes the curriculum paperless for students. This program requires additional technology hardware expenses such as an electronic device for students. Additional expenses include .50 FTE for a technical sim lab specialist.
Program fee	Supports course related expenses such as syllabi printing, student printing expenses, and copier expenses. Supports lab related expenses such as lab supplies and a portion of Administrative Staff support salaries.
Locker fee	Supports locker, locks, and maintenance
PHPR 659	This fee is required to access course content from the American Pharmaceutical Association (APhA), which is \$125 per student.

## College of Public Health

<b>Fee Name</b>	<b>Fee Description</b>
CPH 539/HPRO 895 Leadership & Advocacy	This \$100 fee will be used to cover the costs of three assessments completed by each student during the course. \$40 for MBTI Step II, \$25 for the TKI (Thomas Killmann Conflict Mode Instrument), and \$35 for the ISI (Influence Style Indicator).
COPH Distributive Learning Fee	Supports expenses related to distance education such as providing, repairing, and upgrading equipment and software; expenses, software and equipment to support learning in virtual reality environment; instructional technology services and specialized personnel and services to support distributive learning.
COPH Technology Fee	Supports expenses related to classroom and learning technology, such as replacement/repair/upgrade classroom equipment, replacement/repair of equipment related to student research training, and specialized personnel to support instructional technology deployment, training, and use.

## Other Units

Fee Name	Fee Description
<u>McGoogan Library Fees</u>	
Student Library Fee Per Credit Hour	A student fee of \$6.25 per credit hour is assessed to all UNMC students by McGoogan Library for purchasing library collections. Regardless of location, students can access McGoogan Library collections. Students enrolled in online programs have the same electronic access as students physically located on the different campuses.
Bindery Of Dissertations/Theses	Upon request, McGoogan Library will arrange for bound copies of student dissertations and theses. A fee of \$25 per copy covers the cost of binding and processing. The bound items can be picked up at the library, or mailed to the student for an additional fee of \$10.
<u>Student Success Fees</u>	
Student Access & Success Fee	The Student Access and Success Fees directs services to students through staffing (salaries and benefits) and programming (operating and event programming) efforts across wellness, mental health support, accessibility services, inclusion, financial aid, student life, and general academic success services. Through these efforts, students are provided with resources focused on helping them thrive into, through, and beyond their time at UNMC as a learner.
