

UNMC Student Fee Descriptions

College of Allied Health Professions

COURSE RELATED FEES

Fee Rationale

Cardiovascular Interventional Technology

CVIT Spring Course Fee

Spring Semester

Covers Spring course fees needed for poster in MITS 468R/668R

Cytotechnology

CYTO Fall Course Fee

Fall Semester

Covers white coat expense in 701

CYTO Spring Course Fee

Spring Semester

Covers poster expense in 714

Cytotechnology Microscope Rental Fee

Fall Semester

Covers \$25 microscope rental in 701, 702, 703, 704, 705

Cytotechnology Microscope Rental Fee

Spring Semester

Covers \$25 microscope rental in 710, 711, 713, 714

Cytotechnology Virtual Microscopy Fee

Fall Semester

Covers \$175 virtual microscopy in 702, 703, 704, 705

Cytotechnology Virtual Microscopy Fee

Spring Semester

Covers \$175 virtual microscopy in 710, 711, 714

Diagnostic Medical Sonography

DMS Fall Course Fee

Fall Semester

Covers Fall course fees for SDMS Membership fee (MITS 415S/615S), and Trajecsys enrollment fee (MITS 412S/612S)

DMS Spring Course Fee

Spring Semester

Covers Spring course fees for exhibits (MITS 419S/619S)

Genetic Counseling

GC 1 Fall Course Fee (Year 1 Only)

Fall Semester

Covers Fall course fees for standardized patient costs (GENC 610)

GC 1 Spring Course Fee (Year 1 Only)

Spring Semester

Covers Spring course fees for standardized patient costs (GENC 611)

GC 2 Fall Course Fee (Year 2 Only)

Fall Semester

Covers Fall course fees for strength assessment tool (GENC 710)

GC 2 Spring Course Fee (Year 2 Only)

Spring Semester

Covers Spring course fees for board practice exam (\$55) (GENC 711), LEND or project DOCC (\$30) (GENC 718) and research poster fee (\$100) (GENC 722)

Magnetic Resonance Imaging

MRI Fall Course Fee

Fall Semester

Covers Fall course fees for printed clinical handbook and Trajecsys enrollment fee (MITS 465R/665R)

| | | |
|--|-----------------|---|
| MRI Spring Course Fee | Spring Semester | Covers Spring course fees for poster (MITS 468R/668R) |
| <u>Medical Imaging & Therapeutic Sciences</u> | | |
| MITS 434S Vascular Sonography Externship | Per Course | Covers Trajecsyst enrollment fee; NDS students only |
| MITS 436S Adult Cardiac Sonography Externship | Per Course | Covers Trajecsyst enrollment fee; NDS students only |
| MITS 634S Vascular Sonography Externship | Per Course | Covers Trajecsyst enrollment fee; NDS students only |
| MITS 636S Adult Cardiac Sonography Externship | Per Course | Covers Trajecsyst enrollment fee; NDS students only |
| <u>Medical Laboratory Science</u> | | |
| MLS 552 (Pharmacy) | Per Course | Covers printing of resources used for class activities |
| MLS Fall Manual Fee | Fall Semester | Covers Fall course manuals needed in biohazardous areas (MLS 407, 408, 409, 410, 411) |
| MLS Fall Microscope Rental Fee | Fall Semester | Covers maintenance of microscopes on UNMC Omaha and Kearney campus; yearly cleaning cost has increased as well as replacement parts/repairs |
| <u>Medical Nutrition Education</u> | | |
| MMN1 Fall Course Fee | Fall Semester | Covers Fall course fees needed for lab coat (\$40), Stand Patient (3 hrs; \$65), shared reference materials (\$50) (MNED 777) |
| MMN1 Spring Course Fee | Spring Semester | Covers Spring course fees needed for professional meeting registration (\$200) (MNED 722); Stand Patient (3 hrs; \$65), shared reference materials (\$50) (MNED 787) |
| MMN1 Summer Course Fee | Summer Semester | Covers Summer course fees needed for RD Exam study guides (\$65 and \$385) (MNED 779) |
| MMN2 Fall Course Fee | Fall Semester | Covers Fall course fees needed for \$100 poster and \$50 abstract fee (MNED 790) |
| <u>Physical Therapy</u> | | |
| PT1 Spring Course Fee (Year 1 PT Only) | Spring Semester | Covers Spring course fees for copies supplemental materials and supplies for biomechanics demos (HMS II- \$10); SPs for medical interview simulation (PsychoSoc Course I- \$10); Clinical education data management software system access (PHYT 500- \$25) |

| | | |
|--|-----------------|---|
| PT1 Summer Course Fee (Year 1 PT Only) | Summer Semester | Covers Summer course fees for copies of supplemental materials (PHYT 510- \$5; HMS III- \$5), SPs for integrated simulation (Seminar III- \$5) |
| PT2 Fall Course Fee (Year 2 PT Only) | Fall Semester | Covers Fall course fees for copies of supplemental materials (\$5 - PHYT 605) (\$5 - PHYT 615) (\$5 - PHYT 630) |
| PT2 Spring Course Fee (Year 2 PT Only) | Spring Semester | Covers Spring course fees for copies of supplemental materials (\$5 - PHYT 606) (\$7 - PHYT 614); standardized testing booklets for the Standardized Testing in Pediatrics lecture (\$7) (PHYT 612); supplementary materials and course evaluation bubble sheets (\$5) (PHYT 624); supplementary materials and poster costs for CAHP Forum on Evidence-Based Practice (\$38) (PHYT 740) |
| PT2 Summer Course Fee (Year 2 PT Only) | Summer Semester | Covers Summer course fees for annual subscription of CPI tool and the CSIF, clinical education data management software (\$32)(PHYT 650) |
| PT3 Fall Course Fee (Year 3 PT Only) | Fall Semester | Covers Fall course fees for copies of supplemental materials (\$5 - PHYT 720) (\$5 - PHYT 727); annual subscription of CPI tools, the CSIF, and clinical education data management software (\$32) (PHYT 750) |
| PT3 Spring Course Fee (Year 3 PT Only) | Spring Semester | Covers Spring course fees for annual subscription of CPI tools, the CSIF, and clinical education data management software (\$32 - PHYT 751) (\$32 - PHYT 752) |

Physician Assistant

| | | |
|--|-----------------|---|
| PA1 Spring Course Fee (Year 1 PA Only) | Spring Semester | Covers Spring course fees for instructional materials, clinical supplies and standardized patients (\$60)(PHAS 630); instructional materials and student medical documentation books (\$25) (PHAS 632), and instructional materials, standardized patients and printing (\$120) (PHAS 650) |
| PA1 Summer Course Fee (Year 1 PA Only) | Summer Semester | Covers Summer course fees for instructional materials, clinical supplies, standardized patients, skills workshops, ACLS, and PALS instruction (\$540)(PHAS 635); instructional materials and printing (\$35 - PHAS 637) (\$25 - PHAS 645) (\$35 - PHAS 655), and instructional materials, printing, poster development and presentation (\$20) (PHAS 670) |

| | | |
|--|-----------------|--|
| PA2 Fall Course Fee (Year 2 PA Only) | Fall Semester | Covers Fall course fees for instructional materials, standardized patients, and printing (\$100)(PHAS 656); instructional materials and printing (\$20 - PHAS 660) (\$25 - PHAS 665); and PA Clerkship Fee for Fall Clerkships (\$178) |
| PA2 Spring Course Fee (Year 2 PA Only) | Spring Semester | Covers Spring course fees for PA Clerkship Fee for Spring Clerkships (\$178) |
| PA3 Fall Course Fee (Year 3 PA Only) | Fall Semester | Covers Fall course fees for PA Clerkship Fee for Fall Clerkships (\$178) |

Radiation Therapy

| | | |
|-----------------------------|-----------------|---|
| Rad Therp Fall Course Fee | Fall Semester | Covers Fall course fees needed for VERT maintenance |
| Rad Therp Spring Course Fee | Spring Semester | Covers Spring course fees needed for poster in MITS 435T/635T |
| Rad Therp Summer Course Fee | Summer Semester | Covers Summer course fees needed for board exam materials in MITS 445T/645T |

Radiography

| | | |
|--|-----------------|--|
| RAD1 Fall Course Fee (Year 1 RAD Only) | Fall Semester | Covers Fall course fees for purchase of lead markers (\$30) and Trajecsys enrollment fee (\$150)(MITS 315R) and ASRT Membership fee for educational resources (\$35) (MITS 402R) |
| RAD2 Spring Course Fee (Year 2 RAD Only) | Spring Semester | Covers Spring course fees for poster (\$87)(MITS 306R) and Board review seminar and exam prep resources (\$260) (MITS 407R) |

LABORATORY FEES

Clinical Perfusion

| | | |
|---|-----------------|---|
| Perfusion1 Spring Lab Fee (Year 1 CPE Only) | Spring Semester | Covers Spring lab fees for transducers, tubing and other miscellaneous supplies (CLPR 515) |
| Perfusion1 Summer Lab Fee (Year 1 CPE Only) | Summer Semester | Covers Summer lab fees for supplies including syringes, gloves, masks, needles, sharps containers, and animal care charges (CLPR 701) |

Cytotechnology

| | | |
|---------------------|-----------------|--|
| CYTO Fall Lab Fee | Fall Semester | Covers glass slides, cover slips, gloves, plastic aprons, and other lab supplies for 701 |
| CYTO Spring Lab Fee | Spring Semester | Covers glass slides, cover slips, gloves, plastic aprons, and other lab supplies for 714 |

Diagnostic Medical Sonography

| | | |
|--------------------|-----------------|--|
| DMS Fall Lab Fee | Fall Semester | Covers Fall Lab fees for standardized patient and lab scan supplies (MITS 412S/612S) |
| DMS Spring Lab Fee | Spring Semester | Covers Spring Lab fees for standardized patient and lab scan supplies (MITS 402S/602S) |
| DMS Summer Lab Fee | Summer Semester | Covers Summer Lab fees for standardized patient and lab scan supplies (MITS 452S/652S) |

Medical Laboratory Science

| | | |
|---------------------------|---------------|--|
| MLS 302 | Per Course | Covers wet lab materials; microscope use |
| MLS 500 (PA Phase I) | Per Course | Covers wet lab materials; microscope use |
| MLS Fall Lab Supplies Fee | Fall Semester | Covers laboratory supplies for MLS 407, 408, 409, 410, 411; summer student laboratory increased by 2 weeks in 2015, spending more for micro (409) and immunohemo (411) supplies. |

Physical Therapy

| | | |
|-------------------------------------|-----------------|---|
| PT1 Fall Lab Fee (Year 1 PT Only) | Fall Semester | Covers Fall lab fees for HMS I: range of motion measurement supplies (goniometer, inclinometer, tape measure- \$75), mobility (gait belts, equipment replacement/upkeep including wheelchairs, assistive devices for gait and devices to assist patients with transferring- \$20), and hourly salaries for standardized patients- \$10) |
| PT1 Spring Lab Fee (Year 1 PT Only) | Spring Semester | Covers Spring lab fees for standardized patients, linens, hi-lo table maintenance and repair (HMS II- \$20) |

PT1 Summer Lab Fee (Year 1 PT Only)

Summer Semester

Covers Summer lab fees for gait belts, hourly salaries for standardized patients, and equipment replacement and upkeep, including wheelchairs, assistive devices for gait, and devices to assist patients with transferring (\$48)(PHYT 506); linens, electrodes, iontophoresis patches/electrodes, ultrasound gel, unit maintenance/calibration, unit rentals, tape, gauze, alcohol wipes, lotion for soft tissue mobilization, hot/cold packs, instrument assisted soft tissue mobilization tools (\$30)(PHYT 510), and standardized patients (SPs) for medical interview (\$8) (PHYT 522)

PT2 Fall Lab Fee (Year 2 PT Only)

Fall Semester

Covers Fall lab fees for linen, hi/lo table maintenance and repair, mob belts (\$12)(PHYT 605); standardized patients and replacement and maintenance of equipment such as sphygmomanometers, incentive spirometers, single-use items such as mouth pieces for flow meters and straws for simulated lung disease activities (\$35)(PHYT 610); replacement of consumable exercise equipment such as Theraband, Theratubing, weighted balls, straps, lab sheets, towels, and standardized patients (\$12) (PHYT 615); standardized patients and replacement of air splints and alcohol wipes (\$10) (PHYT 616); linens (\$5) (PHYT 630)

PT2 Spring Lab Fee (Year 2 PT Only)

Spring Semester

Covers Spring lab fees for linens, tape for treatment techniques, exercise equipment, manual therapy equipment, hi-lo table maintenance, standardized patients, and simulation (\$46)(PHYT 606); linens and clean-up of the CFHL facilities after lab (\$5)(PHYT 612); standardized patients and linens, replacement costs for leg loops (\$8)(PHYT 617), and splinting material, splint straps, rigid strapping tape and foundation tape, and linens (\$20) (PHYT 624)

Other Fees

Additional Other Fees

CAHP Technology Fee - All CAHP students except
MLS

Fall/Spring
Semester

Supports classroom technology for Bennett Hall on the Omaha Campus, the Health Science Education Complex on the Kearney campus, and other classrooms on the Omaha campus used by CAHP programs

MLS-Technology Fee

Per Semester

Covers maintenance and replacement of iPads used in student lab on Omaha and Kearney campuses; maintenance virtual microscopy equipment and student access to web-based viewer

College of Dentistry

Equipment Replacement Fund – Dentistry. These funds are used by the College to purchase and replace unrepairable equipment, worn out equipment, and equipment that has reached the end of its equipment life cycle.

Equipment Replacement Fund – Dental Hygiene. These funds are used by the College to purchase and replace unrepairable equipment, worn out equipment, and equipment that has reached the end of its equipment life cycle.

Technology Fee – D1, D2, D3, and D4 Students. These funds are used by the College to maintain the clinic electronic dental records (EDRs), pay annual licensing fees and software upgrades, buy new software and upgrades needed to support educational/course delivery and clinical instruction, and repair and replace College-owned hardware and peripherals.

Technology Fee – Dental Hygiene. These funds are used by the College to maintain the clinic electronic dental records (EDRs), pay annual licensing fees and software upgrades, buy new software and upgrades needed to support educational/course delivery and clinical instruction, and repair and replace College-owned hardware and peripherals.

Dental Instruments - Dentistry 1, 2 and 3. These funds are used by the College in the management of all dental instruments, including inventory management, sterilization, packaging, distribution and calibration. Further, all dental materiel, supplies and biomaterials are purchased with this fund, as are auxiliary services such as the provision of clothing (scrubs), laundry, etc.

Dental Books and Instruments - Dentistry 4. These funds are used by the College in the management of all dental instruments, including inventory management, sterilization, packaging, distribution and calibration. Further, all dental materiel, supplies and biomaterials are purchased with this fund, as are auxiliary services such as the provision of clothing (scrubs), laundry, etc. Additionally, the College purchases all texts, books and course materials for each D4 student.

Dental Hygiene 3 Instruments Dental Hygiene 4 Instruments. These funds are used by the College in the management of all dental hygiene instruments, including inventory management, sterilization, packaging, distribution and calibration. Further, all dental materiel, supplies and biomaterials are purchased with this fund, as are auxiliary services such as the provision of clothing (scrubs), laundry, etc.

College of Medicine

Pharmacy 470/570 (PT and Nurses)

The funds will be used to provide course materials for the student academic studies.

GCBA 452 Radiation Tech, GCBA 552 Anatomy for Pharmacist, GCBA 812 Neuroanatomy, GCBA 826 Histology, GCBA 830 Electron Microscopy, 832 GCBA Cell & Tissue Culture, GCBA 908 Advanced Hematology, GCBA 910/920 Gross Anatomy, GCBA 924 Select Problems in Electron Microscopy, GCBA/ Anatomy for PA's, GCBA/ Anatomy for PT's, M-ID 711 Anatomic Dissection
The funds will be used to support the salaries, operating expenses and supplies of the anatomy lab.

GCBA 814 Neuroanatomy Lab, GCBA 825 Histology (Master in Medical Anatomy), GCBA 909 Gross Anatomy lab (Masters in Medical Anatomy), GCBA 913 Cross-Sectional Anatomy (Master in Medical Anatomy), Technology Fee – All Master in Medical Anatomy (MMA)

The funds are needed to support the salaries, operating expenses and supplies of the anatomy lab for the MMA programs

COM Anatomy and Neuroanatomy Fee

The funds are needed to support the salaries, operating expenses and supplies of the anatomy lab for Medical Students anatomy program. This fee support anatomy teaching activity in first phase of the Medical student Curriculum.

M-ID 532 Acute Care Training

Lab fee to operate expenses and supplies in the instruction of the J-Term program.

Anatomy for PA's, GCBA/ Anatomy for PT's

The funds will be used to support the salaries, operating expenses and supplies of the anatomy lab for the PT and PA programs.

PAMM 507 (PA's, Clinical Per fusionists), Pharmacy 470/570 (PT and Nurses) and PAMM 680/682 Pharmacy

The funds will be used to provide course materials for the student academic studies

PAMM 509 Immunology, Pharmacy and PAMM 550 Medical Micro/Pharmacy

The funds will be used to provide course materials for the student didactic studies.

COM Technology Fee

The College established this fee with the opening of the Michael Sorrell Center and the College assumed the responsibility for the

replacement of equipment in the Computer and Clinical Skill Labs. The College determined that there was a need for a five-year plan to provide available funds for replacement equipment. The original equipment is now over five years old and the college is using these funds for replacement as noted by the projected excess expenses over income. The College will continue to evaluate the fees to see what funds will be needed on a yearly basis.

College of Nursing

| Type of Fee | Purpose of Fee |
|-----------------------------------|---|
| Distributive Learning Fee: | Supports expenses related to distance education such as providing, repairing, and upgrading equipment; expenses and equipment to support learning in virtual reality environment; instructional technology services; and specialized personnel and services to support distributive learning. |
| | |
| Technology Fee: | Supports expenses related to classroom, testing center and learning technology, such as repair/upgrade classroom equipment, replacement/repair of clinical equipment, and specialized personnel to support instructional technology deployment, training, and use. |
| | |
| ATI Fee: | Supports testing software, equipment, supplies, salaries of specialized personnel, and NCLEX review sessions. |
| | |

College of Pharmacy

Technology fee: The technology fee is for operating expenses for technology including ongoing software and hardware maintenance and expenses in the College of Pharmacy. Extensive technology hardware (e.g. a CAE video lecture capture system; McKesson pharmacy dispensing system) and software packages (e.g., the McKesson system) that have significant ongoing maintenance costs.

In addition, this fee supports the student iPad program, which makes the curriculum paperless for students. This program requires additional technology hardware expenses such as an electronic device for students. Additional expenses include .50 FTE for a technical sim lab specialist.

Program fee: Supports course related expenses such as syllabi printing, student printing expenses, and copier expenses. Supports lab related expenses such as lab supplies and a portion of Administrative Staff support salaries.

Locker fee: Supports locker, locks, and maintenance

College of Public Health Fees

ENV 800

Description of Use:

This fee covers the cost for course requirements of the CPR/AED/First Aid certification training and the OSHA 30 Hour General Industry Safety Card.

COPH Distributive Learning Fee

Description of Use:

Supports expenses related to distance education such as providing, repairing, and upgrading equipment and software; expenses, software and equipment to support learning in virtual reality environment; instructional technology services and specialized personnel and services to support distributive learning.

COPH Technology Fee

Description of Use:

Supports expenses related to classroom and learning technology, such as replacement/repair/upgrade classroom equipment, replacement/repair of equipment related to student research training, and specialized personnel to support instructional technology deployment, training, and use.

Other

McGoogan Library

Student Fees

1. STUDENT LIBRARY FEE PER CREDIT HOUR

Description and Expense Plan

A student fee of \$6.25 per credit hour is assessed to all UNMC students by McGoogan Library for purchasing library collections.

Regardless of location, students can access McGoogan Library collections. Students enrolled in online programs have the same electronic access as students physically located on the different campuses.

2. BINDERY OF DISSERTATIONS/THESES

Description and Expense Plan

Upon request, McGoogan Library will arrange for bound copies of student dissertations and theses. A fee of \$25 per copy covers the cost of binding and processing. The bound items can be picked up at the library, or mailed to the student for an additional fee of \$10.

Student Health Mandatory Fees

Clinical RT IMMUN Lab Fee will be charged to All UNMC Omaha Campus Students completing Clerkships and/or Clinical Rotations.

Fee of \$47.50. This will be assessed twice a year during the Fall and Spring Terms to ALL UNMC Omaha Campus Students that are enrolled in programs where they would need to complete a Clerkship or Clinical Rotation as part of their requirements.

This fee will cover a Current IGRA Blood Draw for Tuberculosis and a Urine Drug Screen, as these are most commonly required by Clerkship and Clinical Sites.

These are being offered to our students at a reduced cost as long as they are seen in the UNMC Student Health Clinic and the order is completed through the Regional Pathology Lab through Nebraska Medicine Diagnostic Lab via the order form given from the UNMC Student Health Clinic.
