

UNMC Immunization Checklist

UNMC Student Health Administration would like to welcome you to UNMC! Before you can enroll in classes at UNMC, you must complete the UNMC Immunization Requirements.

Use this document as a guide with your Healthcare Provider to ensure that you obtain all required vaccines and tests. Official immunization records will be required when submitting immunization information into MyRecords. The submission process for your immunization documentation is provided on the next page.

Getting Started

Please read the full description of immunization requirements:

- **COVID-19:** Documentation of vaccine(s) - **OR** - Declination of vaccine.
- **Varicella (Chicken Pox):** Documentation of two (2) doses of varicella vaccine.
- **OR** - Evidence of immunity documented by a serologic blood test.
- **Flu Vaccine:** Documentation of current flu vaccine - **OR** - Declination of vaccine.
- **Hepatitis B:** Documentation of three (3) vaccine series and a positive hepatitis B surface antibody titer (required). A positive titer alone will be accepted with official documentation of results.
- **MMR (Measles, Mumps, Rubeola):** Documentation of two (2) vaccines - **OR** - Positive antibody titers (blood test) for all three diseases.
- **Polio:** Documentation of most current polio vaccine - **OR** - If US born citizen, please complete the No Travel Consent.
- **Tuberculosis:** Required upon admission to program. Documentation of a two-step TB skin test. (One test consists of a placement and a read. Two tests will need to be completed). - **OR** - interferon gamma release assay (IGRA blood test), QuantiFERON (blood test) or T spot (blood test).
- **Tdap (Tetanus/Diphtheria/Pertussis):** Documentation of one (1) current dose of Tdap within the last ten (10) years.

If you need to be seen in the Student Health Clinic for any immunization requirements, please call 402-559-7204 to schedule an Appointment. Please let scheduling know you are an incoming visiting student.

Submitting Your Immunization Requirements

Complete the following steps to meet the immunization requirements.

Step 1: Upload your information into the MyRecords Immunization Center

Submit records through [MyRecords](#), using your UNMC NetID and log in information. Refer to the [Immunization Center Guide for Students](#) for instructions about navigating the Immunization Center.

Accepted Document Formats:

- You can upload the following types of documents: PDF, DOC, DOCX.
- Do not upload documents that are password protected. Password protected documents cannot be read and will delay your application.
- HTML documents cannot be uploaded.
- Files with the following in the file names may cause errors: #, %, (,), @, ^, &, !, \$.
- You cannot upload documents larger than 10MB.
- File names cannot be longer than 60 characters.

REMINDER: When naming your backup documents, please use the name of the immunization and date updated (example: hepb2_1-1-18).

Step 2: Email Student Health

After all required immunizations (listed on first page) have been uploaded, please email StudentHealth@unmc.edu and CC your Coordinator, so the process of validation can begin. **To avoid delay in your start date, this must be completed 30 days prior to your start date.**

If you have any questions, we can be contacted at 402-559-5575 or by emailing StudentHealth@unmc.edu.
