

## Vital Resources for Serious Progress.

The Research Support System (RSS) brings a new level of service directly to your lab. You can schedule services, see instrument calendars and view invoices directly with the Core Facility application available on-line through the RSS.

### Participating Cores:

- Advanced Microscopy Core
- Bioimaging Core (MRI)
- Biological Irradiator Core
- Bioinformatics & Systems Biology
- DNA & Next Gen Sequencing
- DNA MicroArray
- Electron Microscopy
- EHR Data Access Core
- Epigenomics Core
- EPR Spectroscopy Core
- Flow Cytometry Research Core
- Mouse Genome Engineering
- Mass Spectrometry and Proteomics
- NMR Facility
- Protein Structure
- Research Editorial Office
- Research Information Technology Office

# Scheduling your Core Facility services has never been easier

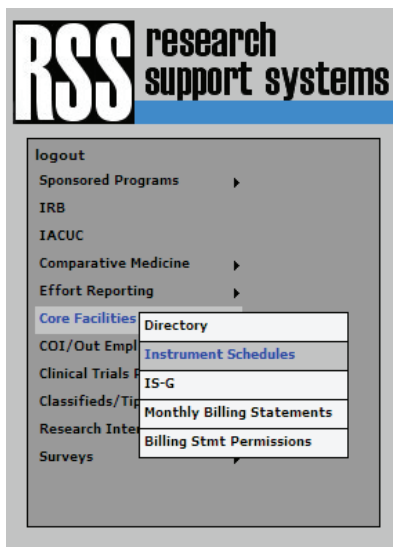

Access your account on-line at: <https://net.unmc.edu/risc/rss/>

Or use the Log In button from the UNMC Intranet Home Page to navigate to the Research Support System

## Log in from the UNMC Intranet

The Research Support System provides a secure portal for you to access Core Facility services 24/7 from anywhere in the world. Simply log in using your Outlook ID and password.

Select Core Facilities from the RSS Links sub-menu and Instrument Schedules from the fly-out menu.

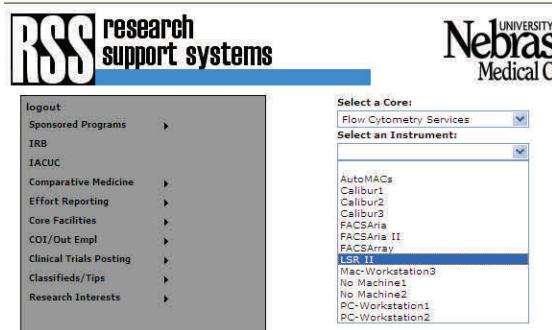

*Have your 10 or 13 digit account number handy.*

*Call your Core Facility manager*

*or*

*Linda Wilkie in the Office of Research  
(9-7649) for assistance.*

## Select a Core Facility and Instrument

## Select a Date & Time

Click on a date to select.

Click on a time to insert it as the beginning of your appointment.

## Add Billing Information

1. Type in the name of the Principal Investigator in the Bill To: field. Select the name from the self-populating field.
2. Repeat for the person requesting the work in the Contact: field.
3. Type in the End Time if different from the default of one hour.
4. Select the service desired from the drop-down menu.
5. Select your payment method. Click the "Add Cost Object" icon to open a field to add a new account.
6. Select a Machine Operator
7. Save your Entry.
